

Jair A. Mendoza

MECHATRONIC ENGINEERING

- Contributing and learning are the bases of what I want to achieve, contribute knowledge and Skills that I have acquired through study and experience. To be able to generate new goals and knowledge in addition to following growing staff and professionally generating new experiences outside and within my country.

EDUCATION LEVEL

Bachelor of Engineering on Mechatronics
March 2017 - June 2022
Universidad TecMilenio

CERTIFICATIONS

- Game Programing 2019, TecMilenio
- Software Developer 2018, TecMilenio
- Robotic 2018, TecMilenio
- SolidWorks 2019

SKILLS

- Microsoft Office 365 - 100%
- AutoCad - 70%
- SolidWorks - 90%
- TecnoMatix - 50%
- Electrical, Electric - 80%
- HTML - 50%
- CSS - 50%

IDIOMAS

(ILAC) International Language
Academic of Canada. Professional
English, Toronto.

PROFESSIONAL EXPERIENCE

Desgin

iMegaWatt August 2022- January 2023

- Charge of the staff that made the electrical connections and designed the drawings of the electrical systems with different softwares ,such as Solidworks and AutoCad in 2D and 3D. I secured clients for the company for future projects and I did costing of materials, as well as the evaluation of materials which I sent to costumers.

Engineering

Amphenol CEMM MEX, November 2021 - May 2022

- Manufacturing area working on assembly lines and designing parts in 3D and 2D with SolidWorks, as well as 3D printing using different filaments. I used MasterCam(CNC) and milling for the design of parts and molds. I worked with assembly circuits electronics, experience problem-solving on the production line. I continuously improved and looked for innovation and new supplies for the manufacturing area. I did monthly maintenance on the conveyors.

CEO STREED65 ONLINE WEARSHOP

STREED 65, March 2020

- I started my own online shop for T-Shirts, I was in charge of implementating sales strategies, creation and designs for the T-shirts using screen pritting technique and textile vinyl. I had direct interaction with customers, and I was in charge of the shipping deparment.
